DEVELOPMENT DEPARTMENT

To A.S.

This file relates to the scheme submitted by the D.A.H. for subsidising dairy farms based on the recommendations of the P.L.I. Board. The details of the scheme are at pp. 17-18 c.f. The estimated cost of the scheme is worked out as Rs.93,000/- working. The Director has recommended that the scheme may be sanctioned for a period of one year in the first instance from 1-4-50. As the need for rendering assistance to private dairy farms is a recognised one, which has been under the consideration of Govt. since 1944 and that as no satisfactory scheme has been evolved so far and put into force this dept. have supported the proposals of the Director. Finance Dept. have, for reasons stated in their note on p. 12 above, stated that the proposal is not a very urgent or essential one as to be considered now in view of the prevailing acute financial stringency and the consequent need for economy, and that it may await for better times.

In the circumstances stated above it is for consideration

(1) whether the scheme to subsidise dairy farms submitted by the D.A.H. as supported by this Dept. will be pressed and if so the matter referred to the S.F.C. and Cabinet for approval.

OR

(2) whether the views of Fin. Dept. be accepted and the scheme will be dropped for the present.
